NOTE: Until 1991, Bosnia & Herzegovina was a constituent state of the former Yugoslavia and awarded the degrees recognized by that state. These are listed in the presentation below. Because Bosnia & Herzegovina is officially multicultural and multilingual, the list presents Croatian and Serbian variants of award titles where they exist (Croatian listed first). While Serbo-Croatian is basically one language, dialectical differences in education terminology do occur. The Bosnian Muslim community does not speak a separate language.
